# LIVE TRAINING COURSES

CLEVELAND, OH

The Vision Development Team is pleased to offer The Listening Program Provider Certification Course and the inTime Provider Course! Become certified in the most progressive neurodynamic music listening therapies to improve functional outcomes and organize neurological development with your clients. The Listening Program has been part of educational and therapeutic programs worldwide for nearly two decades, including the clients we serve at Sensory Focus.

## TLP Provider Certification

This one-day comprehensive course will allow you to begin offering The Listening Program® as a standalone or adjunct therapy program to your clients, helping them to realize better results in a shorter time.

**Friday, December 8, 2017**

## inTime Provider Certification

A perfect complement to The Listening Program®, inTime is a rhythm-based movement program that helps boost brain health through increased focus, improved adaptive responses to stress and other brain-body connections.

**Saturday, December 9, 2017**
